

Student Visa Extension Workshops

Do you need a new Tier 4 Student Visa?

To help you with your visa application, we are offering free Immigration Workshops:

Thursday 5 August, 11.00 am, Bishop Otter Campus (BOC - Chichester)

Friday 6 August, 11.00 am, Bognor Regis Campus (BRC)

Wednesday 22 September, 2.00 pm, BRC

Thursday 23 September, 2.00 pm, BRC

Monday 4 October, 2.00 pm, BOC

Places are limited, so reserve yours by e-mailing international@chi.ac.uk as soon as possible.

Please note: During September and October, it is necessary to attend a workshop before individual advice on student visas can be given.

If you applied for your previous Tier 4 General Student Visa **on or after 5 October 2009** and it was for a different educational sponsor, then you cannot start your course with us until your new Tier 4 General Student Visa has been approved – so make sure you apply early enough!
