Cost with QTS:
£105 per module

Apply:
Friday 3rd September 2010
for Autumn Term Modules

Start date:
Saturday 25th September
2010

Do you want a professional, academic qualification that not only supports and develops your skill, knowledge and understanding in the learning and teaching of mathematics but also gives you the opportunity to develop the generic pedagogical, leadership and management skills which will help further your career aspirations?

Then you should apply for the MA Mathematics Education at the Mathematics Centre, University of Chichester. The Centre has been at the forefront of mathematics education research and post graduate professional development for many years. Our lecturers have the knowledge and expertise to make your experience both rewarding and productive.

Induction and study day for all students

Saturday 25th September 2010
10:00 – 15:00

Contemporary issues in mathematics education, Research seminars, OR Management of the Mathematics ~Curriculum

- Saturday 7th May 2011
- Interim online session
- Saturday 11th June 2011
- Interim online session
- Saturday 2nd July 2011

Student comment

"It has made me evaluate my own teaching beliefs and ideas about mathematical learning"

Venues and times

All taught sessions are from 09:30 – 16:00 at the University of Chichester's Bognor Regis Campus. The Interim online sessions are held on weekday evenings at times agreed with the module tutor.

Some modules are also offered in collaboration with Essex County Council and the London Borough of Bromley. Please enquire left if you are interested in attending these sessions, or in developing a bespoke course in your local authorities or school.
