

UNIVERSITY OF
CHICHESTER

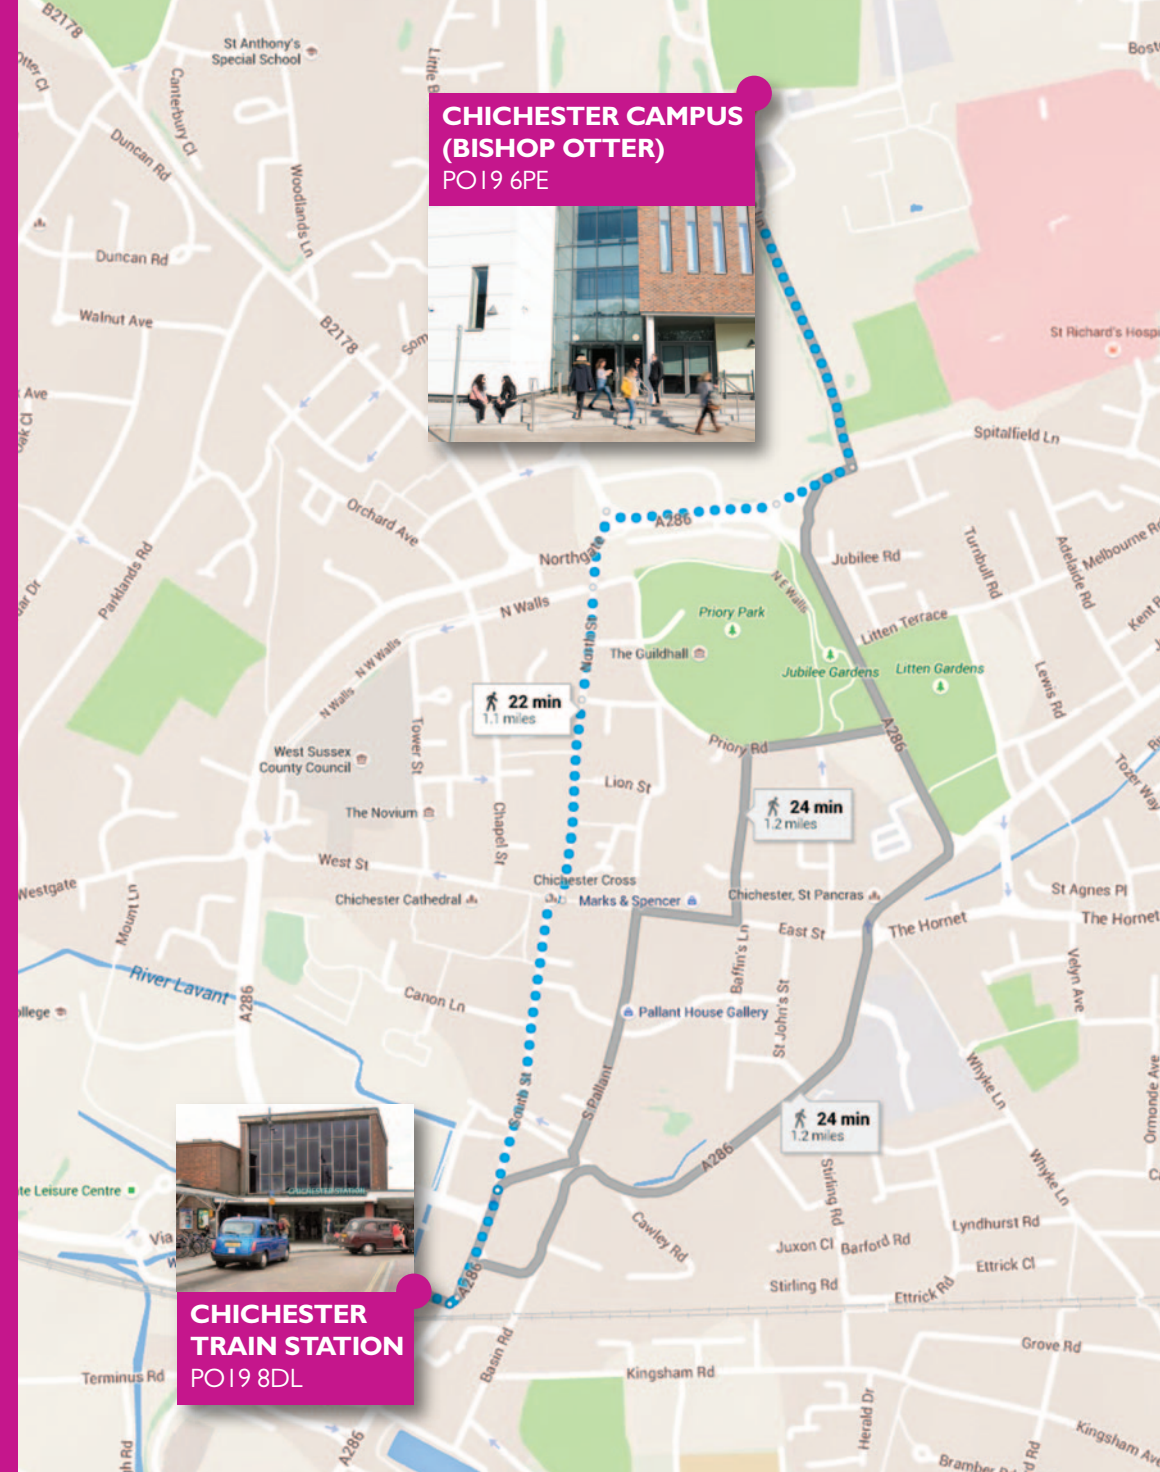

Walking directions to the Chichester Campus (Bishop Otter) from Chichester train station

Exit **Chichester train station** by the main door and turn left into **Southgate Street**. Take the footpath on the left hand side of the road and follow around to the pedestrian crossing on **Avenue de Chartres**. Cross over here following the footpath to the right. Stay on this footpath all the way up **South Street** to the **Cross**. Continue past the Cross into **North Street** (pedestrian precinct).

Once the precinct ends, take the right hand footpath to the top of North Street. Now take the **underpass**. When you emerge from the underpass take the stairs immediately to the right. Take this footpath all the way along **Oaklands Way** (running parallel to the Northgate Car Park) until it reaches the corner of **College Lane** (opposite the Co-Op).

Keep to the left hand side of College Lane and take the exit that leads up onto a separate pathway that runs parallel to the road (do not walk on the lower pavement as this is quite narrow) until it ends and then cross over into the campus.
