

Which Visa?

How to use this flowchart: the visa you need will depend on the length of your study as well as whether you wish to work in the UK or whether your programme includes a work placement module.

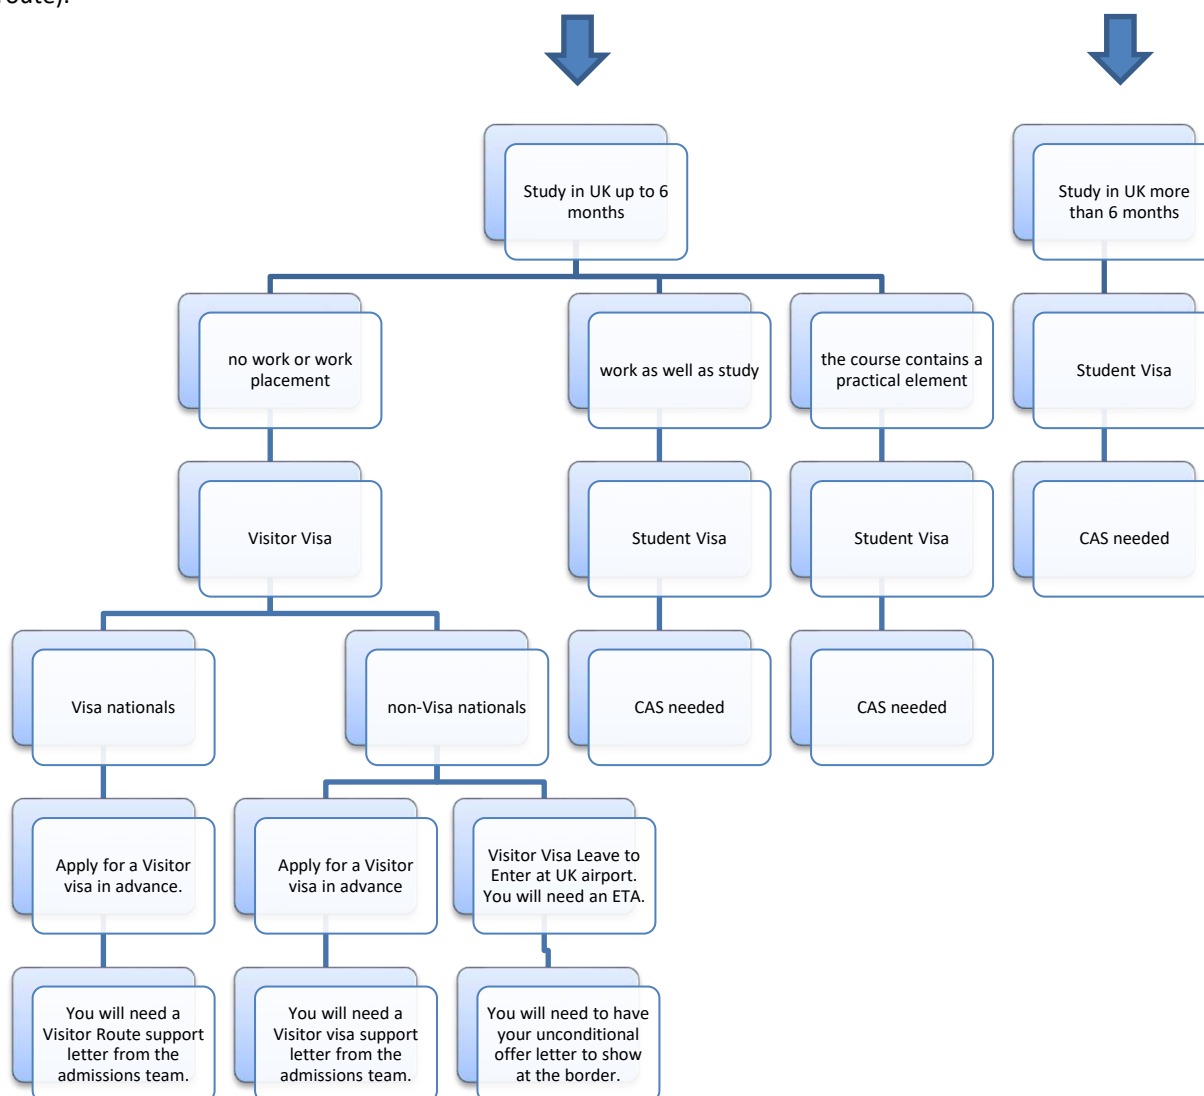

Start with the “Study in the UK for up to 6 months” / “Study in the UK more than 6 months” at the top of the flow chart to be guided to the correct visa option.

Notes:

Visitor Visa: course can be full or part-time.

Student Visa: course has to be full-time and meet the Home Office definition for acceptable courses.

*unless you are studying on a part-time postgraduate degree (see our [website](#) on restrictions relating to this route).

Please note that there is a third visa option: Short-Term Student Visa. This is only for those who plan to study on an English Language course for up to 11-months in duration. For more information on this route, please visit [UKCISA](#).
